Knowledge (recall, list, define, identify, collect, label)	Compile Review Revise	Compile in a shared doc a list of descriptive words and phrases that best describe the mood of the book you read. Exchange your list with a partner. Search for images that depict the descriptive words on your partner's list. Include the images in the document. After your partner has located images, review your original descriptive words. If the pictures are not reflective of the mood of the book you read, revise your list and share it with your partner again.
Comprehension (summarize, describe, interpret, predict, discuss)	Read View Address	Read and/or view the information on the following web pages.
